

# Create Your Own Paper Yamaclaus®

## What to do:

1. Cut along the dotted line of the Yamaclaus brim.
2. Cut a line down the center of the Yamaclaus along *Line A*.
3. Gently apply glue on *Shaded Area B*.
4. Fold *Shaded Area B* underneath the center slit, aligning the two dots along the bottom. Apply pressure.
5. Apply small amount of glue to tip of Yamaclaus.
6. Attach cotton ball to the glue at tip of Yamaclaus.
